

Public Meeting

A public meeting will be held on April 15, 2021, at 5:15 pm at Franklin Springs City Hall, 2531 West Main Street. The City of Franklin Springs intends to apply for a loan and grant from the United States Department of Agriculture Rural Development Program to construct sewerage system improvements. Proposed sewerage system improvements consist of improvements and expansion of the City water pollution control plant. This Notice is published as part of the requirements of the "Application Package for Direct Loan/Grant Water and Waste Disposal, Rural Development Community Programs."
